

Watershed Watch Science Advisory (SCIAD) Council

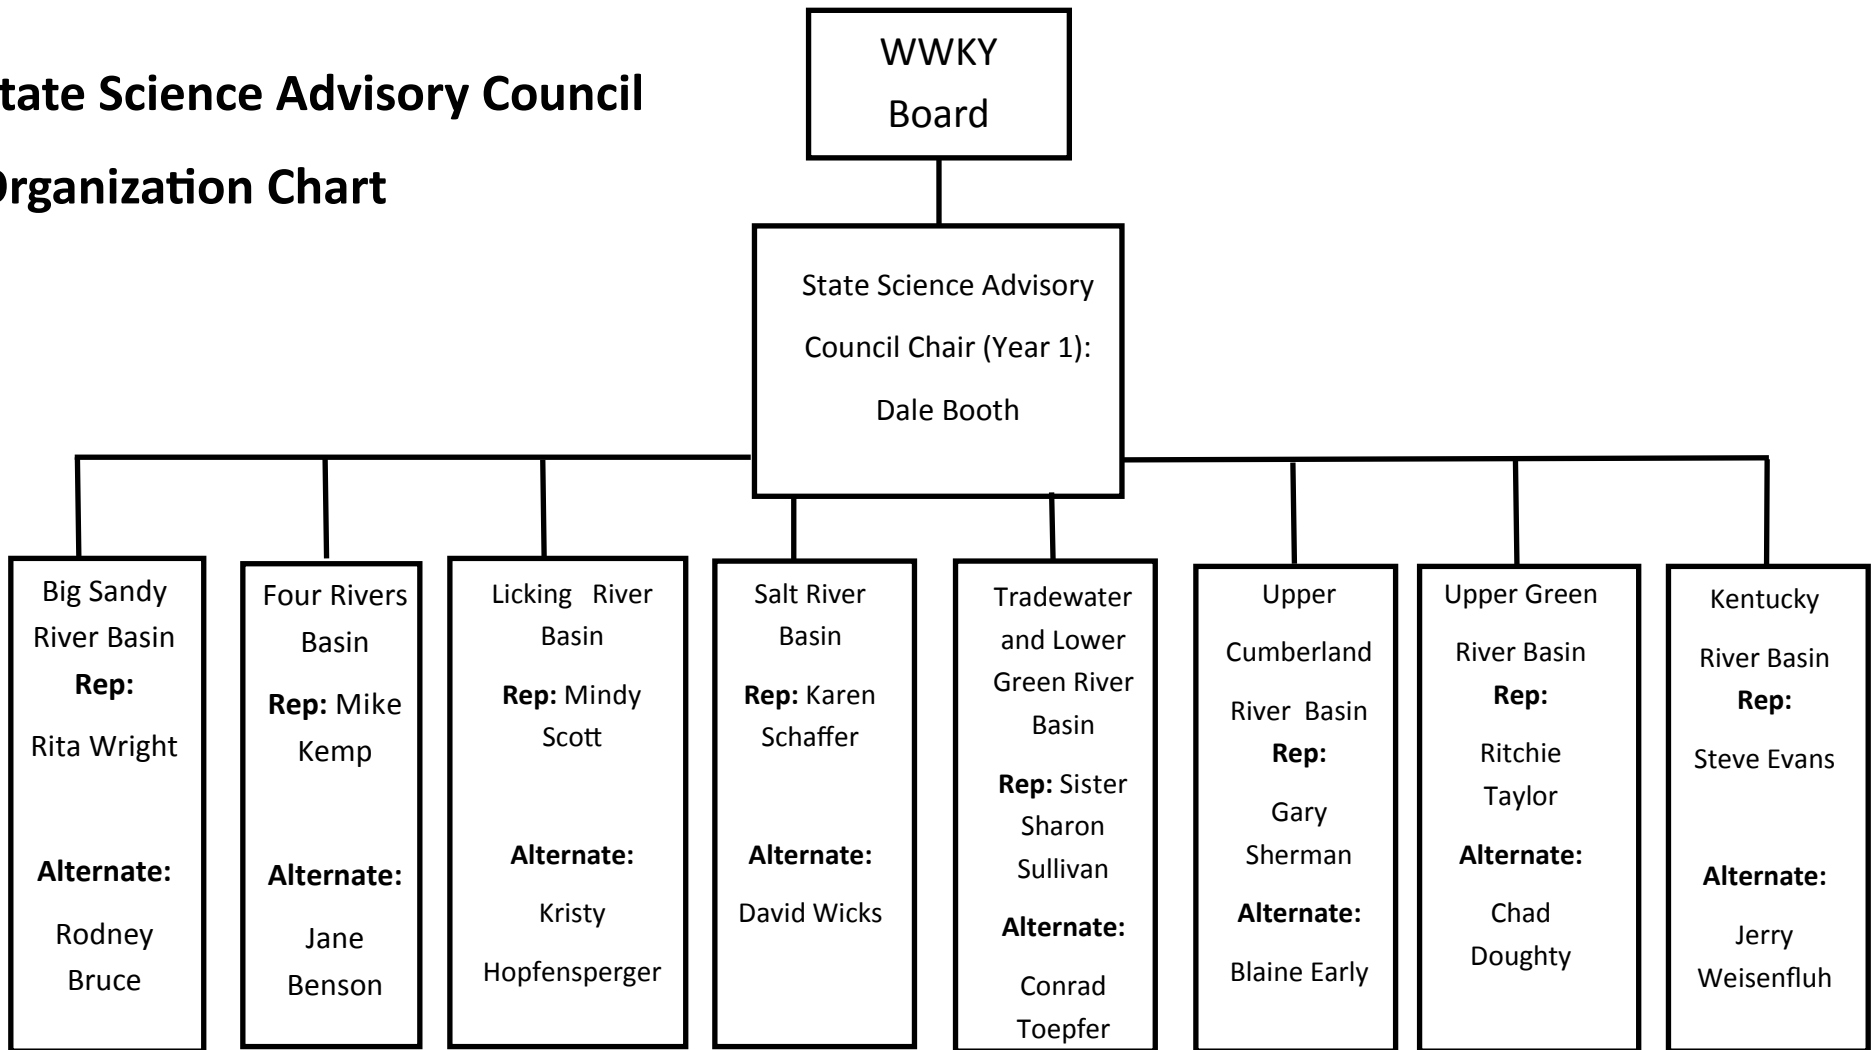

Watershed Watch in KY

March 28, 2018

**WATERSHED
WATCH
IN KENTUCKY**

State Science Advisory Council Organization Chart

SCIAD Purpose Statement

1. To ensure that all Basin organizations are trained and using the appropriate level science so that they can assess water quality health in the Commonwealth of Kentucky.
2. To advise WWKY on appropriate monitoring objectives and methodology statewide for potential water quality health in the Commonwealth.
3. To provide standard statewide interpretive and communicative tools that may be used by basins to identify problem areas, direct action planning, collaborate with regulators, and guide research goals.

SCIAD Contact List

	Primary Rep		Alternate Rep	
Basin	Name	Contact	Name	Contact
Big Sandy	Rita Wright	ritabwright53@gmail.com	Rodney Bruce	http://water.ky.gov/wsw/Pages/BigSandyWSW.aspx
4 Rivers	Mike Kemp	mkemp@murraystate.edu	Jane Benson	jbenson1@murraystate.edu
Licking River	Mindy Scott	http://www.lrww.org/	Kristy Hopfensperger	http://www.lrww.org/
Salt River	Karen Schaffer	https://sites.google.com/site/saltriverwatershedwatch/	David Wicks	dwicks1@gmail.com
Kentucky River	Steve Evans	steve.evans@uky.edu	Jerry Weisenfluh	jerryweisenfluh@gmail.com
